DETAILED ACTION

Response to Amendment

1. The amendment filed on 07/19/2004 has been entered and made of record.

Remaining claims has been renumbered 1-30.

Allowable Subject Matter

2. Claims 1-30 are allowed.

3. The following is an examiner's statement of reasons for allowance: Claims 1-30 are allowable over the prior art made of record because the Examiner found neither prior art cited in its entirety, nor based on the prior art, found any motivation to combine any of the said prior art which teaches an image reading device, comprising a lower unit; an upper unit openable/closable to said lower unit; stacking means for stacking a document; separating means having a separating roller and a separating member for separating a document fed from said stacking means, wherein said separating roller and said separating member are disposed between said upper unit and said lower unit; reading means for reading an image of the document separated by said separating means; and a document conveying path disposed between said upper unit and said lower unit for guiding the document separated by said separating means;, wherein said upper unit is opened, said document conveying path is opened and said separating roller and said separating member are moved with said upper unit, respectively, as set forth in Claims 1,11,15,18,24 and 29, including all of the features recited therein.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany
